

INTERETHNIC RELATIONS IN THE STEPPE REGION IN 19TH—EARLY 20TH CENTURIES ON PAGES OF PERIODICALS

The article is devoted to the establishment and development of inter-ethnic relations between the inhabitants of the Russian Empire and the indigenous people of the Steppe Territory. The article deals with the dynamics of the transformation of the image of a region reflected in the Russian periodical press of the XIX—early XX centuries. It is shown that the reflection in the press of the character of Russian-Kyrgyz inter-ethnic relations was the most important factor in the formation of the image of the Steppe Territory in the eyes of Russian inhabitants.

Keywords: Interethnic relations, Steppe Territory, Kirgiz-Kaisaki, Northeast Kazakhstan, kirghiz, periodicals.
