

FILTRATION FILES OF UGRA SOLDIERS PARTICIPATING IN THE WORLD WAR II AS HISTORICAL SOURCE

During the 75 years that separate us from the Victory Day on May 9, 1945, a huge array of documentary evidence of the Great Patriotic War is put into scientific circulation. Nevertheless, one of the little-studied sources remains the filtering files of repatriated citizens. The article discusses the circumstances of the appearance and storage of this type of source. Based on a selective comparative analysis there are discovered some details of the content of the filtration cases of military personnel, who went to the front from the territory of the Khanty-Mansiysk Autonomous District of the modern Tyumen Region, informational possibilities of using filtration files for scientific purposes.

Keywords: The Great Patriotic War, prisoners of war, concentration camps, repatriates, filtration files, Ugra.
